

Please keep Indiana's do not call list intact. I appreciate all that Steve Carter is trying to fo to protect our privacy. Could you /would you also add newspapers from calling. I get upwards of 10 to 15 Calls a day from indiana newspapers to subscribe to the indy star sometimes as late as 10 p.m. I have asked them to stop and it will for several days and then they start all over again. When I informed them I was on a do not call list they became very rude and said they're exempt from the do not call list and didn't care what I thought. Thankyou, Marty Parlos
